

The Voice is for students who have completed Grades 8-12, who want to grow spiritually, personally and intellectually in their life with God. Join old friends and new this summer as we study what it means to hear God speak into our lives through:

- **Worship**
- **Teaching**
- **God Times**
- **Sunset Reflections**
- **Small Group Discussion**
- **...and More!**

Have you thought about how your family and home give you your first impressions of God? This can be a blessing, a challenge, or both. At The Voice '22, we will address...

- Roles your parents play in how you see the world
- "The Four Houses" - Which one did YOU grow up in?
- How we get our "true name" from God
- How can God make something beautiful out of a dysfunctional home?
- How do I "own" my faith, especially if I grew up in a Christian home?

All of this plus everything you love about summer... the beach, the board-walk, biking, etc. Time to reflect, time to relax, time to enjoy ourselves and each other. **Sign up today!**
